

Cangzhou Qunying International Guo Shu Cup 2021 Traditional and Shaolin Kung Fu Division

There are 3 categories you can participate in:

Hand Form
Weapon Form
Duida

When filling in your weapon form please include the name of your weapon so we know which weapon you are playing. We will then divide the weapons accordingly. Traditional forms must be played with traditional weapons. Please make sure that your weapon meets the criteria of a traditional weapon. All forms must be traditional in nature without added modern elements. The head of the jury has the authority to disqualify anyone if he/she does not recognize their form as traditional or thinks they have added too many modern elements.

The categories will be subdivided into 3 age groups :

10 – 16 years
17 – 39 years
40+

Age groups may be consolidated if there are not enough people competing in a given category. Males and females will be divided into separate categories whenever possible.

People competing in the Traditional Division are not allowed to compete in the Modern Wushu Divisions and visa versa. Forms will be limited to 1 minute plus 10 seconds to finish. A bell will be rung at the 1 minute point and you will then have 10 seconds to finish your form.
